

## Upper Mark West Creek Watershed Planning Forum

Please join us to discuss current watershed management planning & restoration opportunities in the upper Mark West Creek basin.

**DATE:** Tuesday, December 8, 2009

**TIME:** 6 - 7:30 PM

**LOCATION:** The Alpine Hall  
5380 St. Helena Road Santa Rosa, CA

SOTYOYOME

RESOURCE  
CONSERVATION DISTRICT

***Parking is limited- please carpool!***

Speakers will be on hand to present key information and answer questions:

- **Kathleen Marsh, Sonoma County Ag. Preservation & Open Space District:** an update on the Saddle Mountain Preserve management planning effort
- **Sierra Cantor, Sotoyome RCD:** an introduction to the Russian River Coho Water Resources Partnership; water conservation & water security efforts in the upper Mark West Creek basin
- **Matt Deitch, Ph.D., Center for Ecosystem Management and Restoration (CEMAR):** an overview of the water need analysis (GIS model) for the Mark West Creek watershed
- **Valerie Sherron, Sotoyome RCD:** the current status of the Upper Mark West Creek Watershed Management Plan; next steps for sediment assessment and reduction for improving rural roads and habitat in the watershed

**It's your watershed, your participation and feedback are vital for a successful planning effort!**

To RSVP, for more information and directions please visit our website at [www.sotoyomercd.org](http://www.sotoyomercd.org) or contact Sierra Cantor at [scantor@sotoyomercd.org](mailto:scantor@sotoyomercd.org) or (707) 569-1448 x107.
